

Collection Notice

For online surveys and data collection

We're committed to protecting your privacy. Barwon Water is collecting this information to inform planning for the project linked and other related programs and activities.

Barwon Water collects demographic data to assess whether it is providing a range of community members with an opportunity to be involved. Providing this information is optional, and collected data may be published in an aggregate form.

Our Privacy Charter outlines the practices and policies for the collection, use and management of personal information. For enquiries, including accessing the personal information we collect about you, please contact our Privacy Officer at info@barwonwater.vic.gov.au

IP addresses are not collected for any survey submissions.
